HELLO!

It's nice to meet you! I'm Audrey Hughes. I graduated from the Harvard Extension School. I have a master's degree with a focus on digital media design. I have worked from home for almost eight years. I have the self-discipline it takes to make sure deadlines are met in a timely manner. My degree has taught me how to be creative in so many ways. It affects all areas of my personal projects. Thank you so much for your time!
